## ***Physician Services Screen*** **INTERVIEW GUIDES**

---

### **Self Esteem: (Handling Patient Rejection) SRV-11D**

#### **The Problem**

They tend to:

1. Underestimate their worth, blow up their flaws and imperfections.
2. Promise more than they can deliver.
3. Avoid difficult issues and respond impulsively to those issues when they must confront them.
4. Spend too much time with patients who make them feel comfortable.

#### **Interview Comments**

The following steps are recommended:

1. Give them a service problem to handle. During their assessment, aggressively challenge their thinking, disagree with their recommendations. Test their willingness and ability to handle your criticisms.
2. Ask them to evaluate the phrase 'The patient is always right'. After their response, use examples which illustrate problems where the patient is in the wrong, is extremely upset with the organization and is acting in an aggressive manner. Require them to be specific about how they would handle the patient complaints.

## ***Physician Services Screen*** **INTERVIEW GUIDES**

---

### **Self Assessment: (Handling Patient Rejection) SRV-12**

#### **The Problem**

They tend to:

1. Either overestimate or underestimate what they can accomplish.
2. Have difficulty handling difficult or confrontational issues without becoming either emotional or aggressive.
3. Lack consistency shifting from feelings of confidence and comfort to uncertainty and indecision.
4. Have difficulty seeing their mistakes or understanding what they did wrong.

#### **Interview Comments**

The Following Steps Are Recommended:

1. Give them a typical service problem involving a patient complaint. Require them to describe how they would handle the problem. Interrupt them constantly, aggressively challenge their thinking and require them to defend their solutions to the problem.
2. Ask them to describe the typical type of patient who would make a complaint against them.
3. Make certain that you do not hype them about the job. Require them to convince you why you should hire them.

### **INTERVIEW GUIDES**

---

#### **Sensitivity To Others: (Handling Patient Rejection) SRV-15A**

##### **The Problem**

They tend to:

1. Put off objections, decisions and confrontations which make them feel uncomfortable or which threaten them.
2. Do more than is necessary to take care of patients.
3. Become too sensitive to personal criticism.
4. Be distracted by personal issues which do not relate to patient issues.

##### **Interview Comments**

The Following Steps Are Recommended:

1. Give them a typical patient problem to handle. You play the role of the patient. Use personal issues and small talk to distract them from handling the problem. Disagree with them and challenge their thinking to test their ability to handle difficult issues.
2. Ask them to describe their strengths and weaknesses. Pick out at least one of the weak points and suggest that their problem could be a major problem in your organization. Test their ability to handle the criticism and defend their ability to overcome any weak points and perform in your organization.

## ***Physician Services Screen*** **INTERVIEW GUIDES**

---

### **Personal Work Attitudes: (Role Satisfaction) SRV-26B**

#### **The Problem**

They tend to:

1. Be inconsistent in their actions and decisions.
2. Overlook opportunities in their current environment.
3. Tend to shift from a compulsive need to be doing things to a lack of urgency to get things done.
4. Tend to develop feelings of boredom or lack of challenge in their current situation.

#### **Interview Comments**

The following steps are recommended:

1. Ask them to picture themselves in your service work environment. Require them to describe the tasks they would enjoy, the tasks that would not be appealing and the issues which would be priorities for them.
2. Ask them to describe their feelings of frustration and uncertainty about their social/role image. Explore how these frustrations would not be present in your organization.
3. Ask them to describe the environment which is best for them. Require them to include items about authority, responsibility as well as specific work tasks and physical surroundings.

## ***Physician Services Screen*** **INTERVIEW GUIDES**

---

### **Personal Work Attitudes: (Health Tension Index) SRV-28B**

#### **The Problem**

They tend to:

1. Do the wrong things in order to be taken out of a pressure situation.
1. Develop physical symptoms as a result of their despair and frustration.
2. Be inconsistent in performance depending on their ability to manage their stress and anxiety.

#### **Interview Comments**

The following steps are recommended:

1. Ask them to describe what they see as the cause for their stress and anxiety. Require them to relate this information to your organization.
2. Give them a list of service problems and potential solutions. Require them to evaluate the problems and solutions. Give a limited time and press them during their evaluation. When they have reached a solution, aggressively challenge their thinking.

---

## **Physician Services Screen**

### **INTERVIEW GUIDES**

---

#### **Personal Work Attitudes: (Consistency) SRV-30A**

##### **The Problem**

They tend to:

1. Shift from setting goals which are unrealistic or goals which are not challenging. In either case, they may lose interest or become distracted by new directions.
2. Set goals which are not rewarding. They are likely to not gain a sense of satisfaction, fulfillment or achievement by attaining their goals.
3. Shift from demanding too much out of themselves to demanding too little.

##### **Interview Comments**

The following steps are recommended:

1. Ask them to describe their past successes and failures. Require them to relate both their successes and mistakes to your current service position.
2. Ask them to describe a normal day's activities for them as a service representative highlighting what they plan to do, what obstacles would get in their way and what they would propose to do about them.
3. Ask them to describe what motivates them, what they are looking for in a job and what makes them feel satisfied and fulfilled.
